We dedicate this annual to the Ram, our new symbol and to the fulfillment of all that it stands for —— loyalty, courage, strength ——truly the embodiment of Pulaski Spirit!

Administration

Clayton R. Francke
Principal

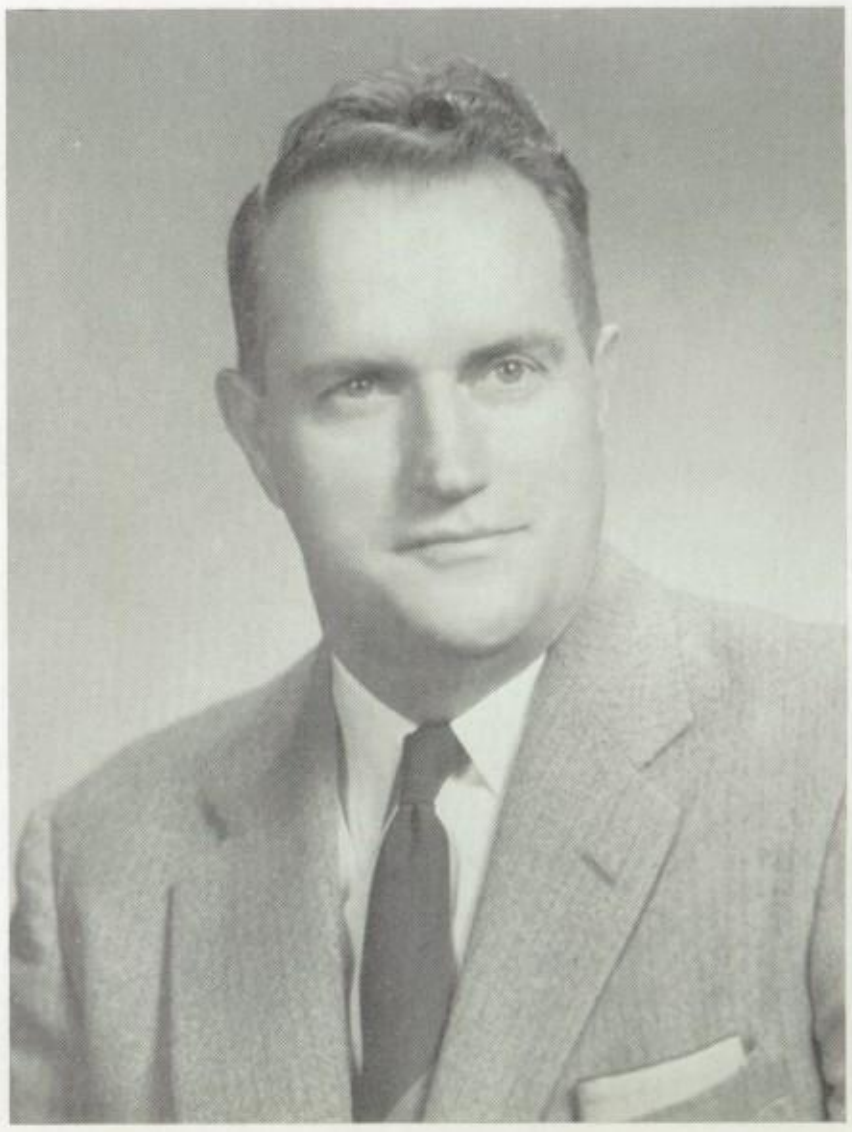
By nature, man has always recognized the need to overcome the darkness by seeking the light of knowledge. Our education cannot be to us a true light, unless we shall find it reflected back upon us again and again through the benefits that our own learning has brought to others. Unless our work is done conscientiously and well, with the idea that it is always the right of the individual to be himself and to have that which is unique within him respected, but without forgetting that no one should so live that he interferes with the rights of others, we are not working for the best in education. During his high school days, a student should learn to know both: the rare satisfaction that comes as the result of discovering and developing many of his own latent powers and the deep consciousness that in this atomic age no man can live alone. The helpful and worthwhile things that emanate from us mark us as genuine students, members of a group that will bring honor to ourselves as individuals and to our school.

Civilization depends upon the mutual understanding and regard of human beings. Society stands or falls with our willingness or ability to get along with one another. Each needs society and society needs all. No one is sufficient unto himself. Harmonious living for and with others requires that people get rightly related one to another. Everyone, as he grows into adult life, must find a peaceable connection with the rest of the human family and become an integral part of the whole. This is a vital problem faced by every youth.

Since our generation is growing up in an unprecedented whirlpool of social and scientific change, Pulaskians must and do accept the challenge of exerting a powerful influence in the healthy social growth of our community.

We are proud of the many fine achievements of Pulaski students as they reflect a wholesome influence on the attitude toward youth everywhere.

A. L. Showers
Vice-Principal



In Memoriam

Mr. Louis R. Wetzel

A "pioneer" from the "barrack room days", Mr. Louis R. Wetzel came to Pulaski High School in 1935 and taught biology throughout his service here. During that time his zeal, his thoughtfulness, and his genial good humor endeared him to his students and earned him the respect of his colleagues.

He was born in Gillette, Wisconsin, where he received his primary and secondary education. Mr. Wetzel was a graduate of Wisconsin State College and Marquette University, where he earned his master's degree. He taught at Sheboygan Falls prior to coming to Pulaski.

Summer

"Pride of summer passing by with lordly laughter in her eye."

Winter

"No mortal Builder's most rare device, Could match this winter palace of ice."

Lost and Lonely:

No two words can more accurately describe how we felt in our first days at Pulaski. It wasn't hard to get lost in such a large building, and we soon learned we were better off not to ask upperclassmen for directions because they always made sure we would never reach our destination. Anytime we stepped out of the security of our homeroom, we experienced that lonesome feeling which only a freshman can describe.

Crazy and Lazy:

During our sophomore days we grew lazy when it came to studies, for we all experienced that "Sophomore Slump." This was the year we attended all the school affairs and went out of our way to show everyone we were no longer lowly freshmen.

Fearless and Friendly:

Our junior days were busy and fun. We began to take our studies more seriously, although we had less time in which to do homework. We no longer feared the teachers, and nothing seemed too big for us to overcome. Our eighth hours were filled with activities, and we all had a splendid time at our one and only Junior Prom.

Busy and Bright:

At no other time did we realize how much there was to do and how little time we had to do it. Our many senior activities left us little time for homework, which we had finally come to realize was very important. Our last days here at Pulaski were filled with happiness, but they were also sad for we realized that soon our high school days would be only happy memories.

Mystified

Remember our freshmen days when everything was in a fog? Everytime we used the bubbler we peered out of the corner of our eyes waiting for an upperclassman to try and sell us a pass. We swallowed the name "Freshies" as we walked down those ever confusing corridors and attended all the noon hour programs. We wondered if we would ever have the feeling of belonging.

Dawning

Then came the first appearance of daylight. As Sophomores we became more secure and learned a few answers. We began attending the sports events and dances. We learned about those little white slips and took advantage of them about three times a semester. But to be upperclassmen was still our goal, and we knew progress had been made when we looked back at the "Freshies".

Clearing

There were no more clouds in our way. We were Juniors now and really climbing the ladder. The homework was just some scribbled work done in the homeroom periods. Our life was filled with the enjoyment of school activities. Our own classmates were among the heroes of the numerous sporting events and we supported them with our attendance to the fullest extent. The Prom highlighted our Junior Year with Memories.

Shining

Everything is bright and dazzling, for we are now Seniors. Almost, all the rules are disobeyed in a foxy manner. We made sure our remaining weeks were filled to capacity with activities, as June would soon be here. We are excited about graduation; but, as we stop and look back, we shall never forget all those wonderful memories Pulaski has given us.

Football Scores

Pulaski—7	Bay View—7
Pulaski—6	Boys' Tech—33
Pulaski—12	West—12
Pulaski—26	Juneau—6
Pulaski—15	Rufus King—35
Pulaski—12	South—6
Pulaski—13	North—6
Pulaski—7	Lincoln—13

The Rams opened the season before nearly 6,000 fans against the pre-season favorites, Bay View. The Redcats drew first blood, but the Rams came back to tie the game on Unger's short plunge and Cwiklowski's extra point.

A team which is riding high is easily knocked off, as Tech exhibited. Hard tackling plus all-around rough play caused many injuries, which hampered the Pulaski attack. Krysiak's intercepted lateral was the only Ram score. The team, though severely hindered by injuries, put up a strong fight to tie a big West team, Cwiklowski and Unger doing the scoring.

Varsity Football

Row 3: K. Krause, Mgr., T. Heleniak, M. Guy, K. Barcz, J. Nedobeck, J. Ircink, R. Pietrasik, K. Schmidt, J. Konczal, D. Piotrowski, D. Conta, *Row 2:* R. Seeger, mgr., A. Silvestri, D. Banaczynski, G. Enk, S. Gradinjan, D. Kaye, A. Clement, T. Koepp, R. Buehler, D. Mikorski, R. Holmes, *Row 1:* D. Haymann, mgr., K. Szweda, R. Kratochvil, J. Jacobsen, J. Robison, J. Bartelak, R. Sturomski, R. Splinter, J. Warwick, F. Rutkowski, T. Wenzel.

A timely triumph by the Rams resulted in a successful homecoming. A big reason for the victory was the alert defensive play of Fred Unger, through the offense, namely Unger and Over, also scored twice.

The city champs, King, simply had too much power for the Rams. A safety, a short plunge by Unger, and Kroll's quarterback sneak accounted for the Ram scoring. Lightning-fast touchdowns by the offense, plus the sterling play of the defensive line, added up to a victory over South.

Against North, once again Krysiak and Unger did the scoring and, the result — a needed win. Though regular quarterback Cwiklowski was injured, the team was ably handled by Dave Kroll. In the final, Lincoln took advantage of every break. Interceptions, fumbles, and a blocked kick helped the Comets to win. A Cwiklowski to Over pass accounted for the Ram's final score.

Two boys on the team were all-city choices, Dave Basco for his rough and tough defensive play and dependable centering and Fred Unger for his hard-running and alert defensive play.

Freshman-Sophomore Football

Row 3: J. Becker, R. Duffner, R. Kratochvil, J. Robison, W. Zimmermann, D. Banacszynski, H. Jaffke. *Row 2:* D. Conta, J. Smul, G. Schopf, A. Silvestri, G. Enk, D. Piotrowski, A. Pauly, Coach. *Row 1:* D. Kolata, W. Feldmann, E. Krysiak, M. Guy, R. Holmes, J. Konczal, T. Frank, J. Blatz, Mgr.

Our Frosh-Soph grid men sparkled as they came through with a 4 to 1 record to clinch the "South Side Championship". This was made possible by fast backs and a sturdy, hard hitting line.

Jim Robinson's agile running and Dennis Conta's pass receiving brought them to a high scoring tie with 12 points each. Merle Guy also had a terrific season totaling 8 points. The team totaled 50 points while their foes eeked out 19 points. Jim Konycal and Jerome Neumann had a good defensive season.

The first team players were Jim Robinson, quarterback; Merle Guy and Russell Holmes, left half; Ed Krysiak and Harold Jaffke, right half; Duane Piotrowski, fullback; Dennis Conta and Jeff Bedke, ends; Gordon Enk and Donald Banaszynski, tackles; Anthony Silvestri and Ralph Kratochvil, guards; Thomas Franke, center.

The games were as follows, South became the first victim, and lost, 21-0. Juneau was next, getting smashed, 6-0. The North team was next, 14-7. Then Bay View was beaten in a hard fought battle, 6-0.

But, alas, the last game was lost to Tech, 12-0.

Pulaski's Rambling Rams captured the coveted City Championship this year. The harriers emerged with their best season since 1947. Coach Stanley Kezele also guided his team to second place in both the State and Mid-West Invitational Meets. For the first time in its history, the team captured the South Sectionals. The Rams beat out a strongly favored South squad, 40 to 52. The harriers were undefeated in dual meets and also won one triangular and one quadrangular meet.

Major letter winners were: Claude Bloskey, Greg Cornehls, Capt. Tom Hauke, Terry Ondrejech, Mike Stegmayer, Al Tanck, Dean Weber, and Ron Witalis.

Pulaski — 62	Bay View — 71
Pulaski — 114	East Division — 51
Pulaski — 74	North Division — 54

Pulaski's Rams, under the leadership of coach Norman Gradecki, racked up a record of eight wins and three losses to place third in the city conference basketball race. Pulaski opened the season with two non-conference games. The Rams dropped the first one to West Milwaukee and picked up the second from Notre Dame. Several thrillers marked conference play including a thrilling 60-59 win over Rufus King in the conference opener.

Pulaski then went on to swamp Custer and an inexperienced Washington team. The next game proved to be both a thriller and a heartbreaker. A fighting Ram team lost a close game to South Division, 57-56. The team then defeated West Division and lost an overtime game to a hustling Lincoln team, 59-57. In another overtime the Rams emerged victorious over Juneau, 62-60.

Another hard fought battle turned out to be a losing one as Pulaski bowed to Bay View, 71-62. East Division proved to be an easy mark as the Rams set several new scoring records, beating them by 114-51. Besides a new team scoring record, a Ram forward, Bob Over, set a new individual scoring record, scoring 55 points, more than the whole East team. Pulaski closed conference play with an easy 74-54 victory over North. Consistent high scorers were: Bob Over, George Cwiklowski, Alan Ripple, and Clyde Lawnicki. They were ably backed up by: Dave Basco, Fred Unger, John Gasper, Richard Splinter, Gary Mann, Richard Scherer, and Gilbert Stubbs.

In the state regional tournament, Pulaski lost its opener to South 73-59, but went on to gain the consolation championship by beating Cudahy, 55-45, and Racine Horlick, 72-71.

Frosh-Soph Basketball

Row 3: J. Ignaszak, R. Subjecki. *Row 2:* D. Conta, M. Guy, J. Over, T. Schwechel, P. Huber, J. Dierschow. *Row 1:* G. Schopf, Mgr., J. Kraft, J. Robinson, M. Goddard, R. Kintop, G. Place, A. Thurner, coach.

The Pulaski Frosh-Soph Basketball team, coached by Mr. Thurner had a very successful season. Some of the teams that Pulaski vanquished were Notre Dame, Tech, Juneau, and Lincoln. Our Pulaski boys also beat the faculty this year by a roaring score of 34-40. Some of the boys that will receive numerals are Robert Bzdawka, Dennis Conta, James Ignaszak, Robert Mantei, Thomas Schuechel, Robert Sujecki and others. Many of the boys are sophomores and will go on to the varsity squad next semester. The outlook for next season really looks good.

For the first time in the history of the school our mat men took the city championship in an undefeated string of matches. Our team wrestled 12 matches and the closest team that came to beating them was Kenosha which scored 18 points to our 22.

The mat men breezed through the city conference in an undisputed string of matches. The last match of the conference was between Pulaski and Tech, both of which were undefeated. It was a thrilling match and our boys finally came out on top, 19 to 14.

Mike Keeker, our team captain, finished the season with a terrific record. He was crowned City Champ in his weight division, and then went to take the State Championship. The team finished fourth in the State meet.

A good nucleus will return again next year, and we hope they can keep up the good work.

The Flamingo Club, under the direction of Mrs. La Verne Dougherty, consists of a number of girls who are interested in synchronized swimming. The executive branch of this club is under the leadership of Judy Boone, president; Ruth Gibb, vice president; and Elizabeth Fisher, secretary-treasurer. Much time and effort is put into its annual production which is presented in the early spring. This year's theme was "Dreamland", presenting scores that one could see in a dream. "Swan Lake," "Me and My Shadow," "Seven Dwarfs" and "The Poor People of Paris" were some of the selections to which the group swam.

With a new coach, Pulaski's mermen did it again, winning another city title. Coach Clarence Scherr's first year on the faculty proved to be a highly successful one, as mermen outshone every team in the city conference by a good margin in the city meet.

Starting out the season with slight prospects, the squad lost its first meet to Boys' Tech. However the team seemed to pick up strength as it went on through the season's dual meets. The team showed its unusual depth by winning most of the B-meets.

This depth also helped the squad to win the coveted City Relays title. This was the first big meet of the season, and it showed the other teams what to expect in the City Meet a month later.

At the city meet our well balanced team of splashers won first. Les Schick took a first place in the 50 yard free style. Bob Burke won another first in the 100 yard back stroke. Ben Bialk was a double first place winner in the 100 and 200 yard free style events. Jerry Bartnick was a first place winner in the 75 yard individual medley. The 150 yard medley relay team was just edged out for first place, and the 200 yard free style relay team finished with another first. Never before has a team so completely dominated the City Meet.

Pulaski swimmers made an excellent showing in the State Meet as Bob Burmeister and Ben Bialk placed in their events.

Major letter winners were: Ben Bialk, Mike Stegmayer, Gerry Bartnick, Bob Burke, Bob Burmeister, Carl Filipowicz, Les Schick, Irv Boberski, Tom George, Dick Jochem, Gary Scott, Al Tanck, Dick Classey, Gary Lindsay, Jim Konicke and Bob Wolf.

Minor letter winners were: Willard Feldmann, William Jochem, Ken Jarecki, Tom Frank, Al Siejkowski, Eugene Staacke, Jerrold Jacobsen, Jim Muehl, Edgar Koch and Dan Mikorski.

Under new head coach, Dominic Calabresa, Pulaski's baseball team finished in third place in the city conference. Their conference record was 17 wins against 5 defeats.

Although not being rated as a strong team in pre-season picks, Pulaski surprised everyone in the State Tournament, which is held before the actual city conference schedule gets under way. The team first won their District Championship and then went to the Sectional Tournament, where they were eliminated in the final game by losing to a well balanced Racine Horlick team by a score of 5 to 1. Pulaski was the last team in the city conference to be eliminated from the tournament.

In the city conference, the team was in contention for the league championship until the last two games. Here they lost tough games to Juneau and Washington High schools.

There were three boys selected to the All-City Baseball team. They were catcher George Cwiklowski and outfielder Dave Basco, who made the first team, and Darrell Laschen, second baseman, made the second team.

Other outstanding players included Fred Unger, Tom King, Bill Otto, Richard Splinter, and Bob Over.

The following returning lettermen are expected to form the nucleus of this year's team: Dave Basco, George Cwiklowski, Tom King, Bill Otto, Bob Over, Dick Splinter, Fred Unger and minor letter winner Augie Wilks.

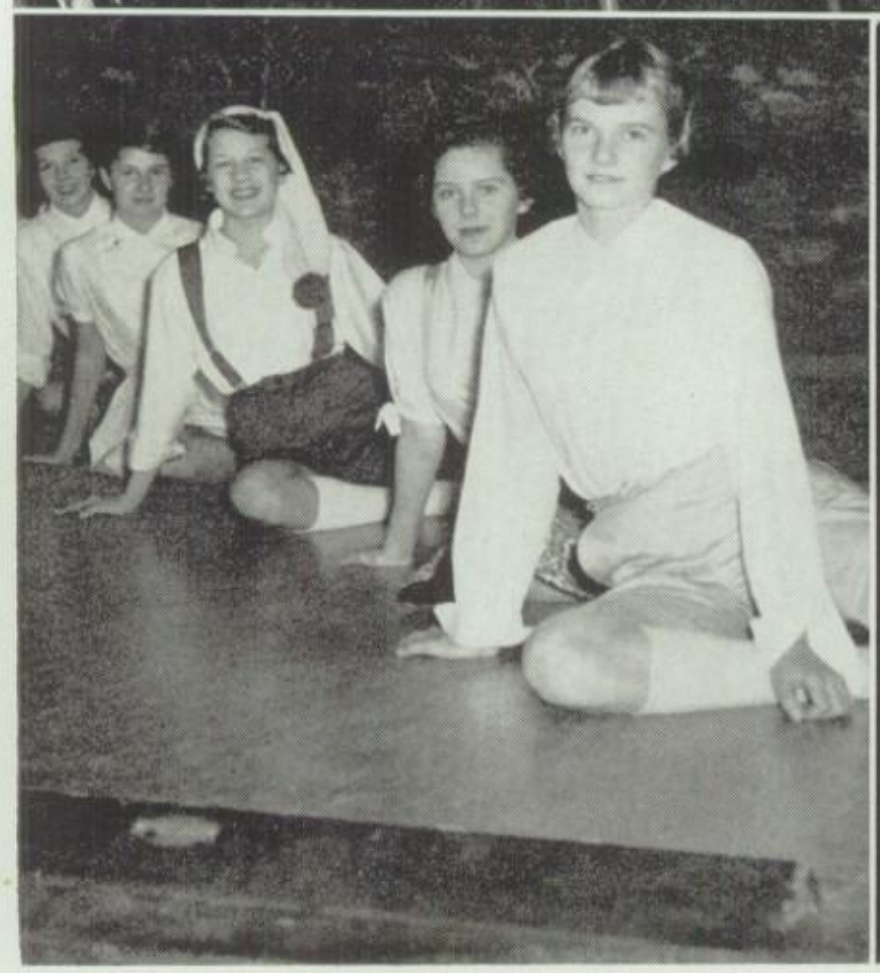
June 14 — Commencement. Boy, do I look sharp.

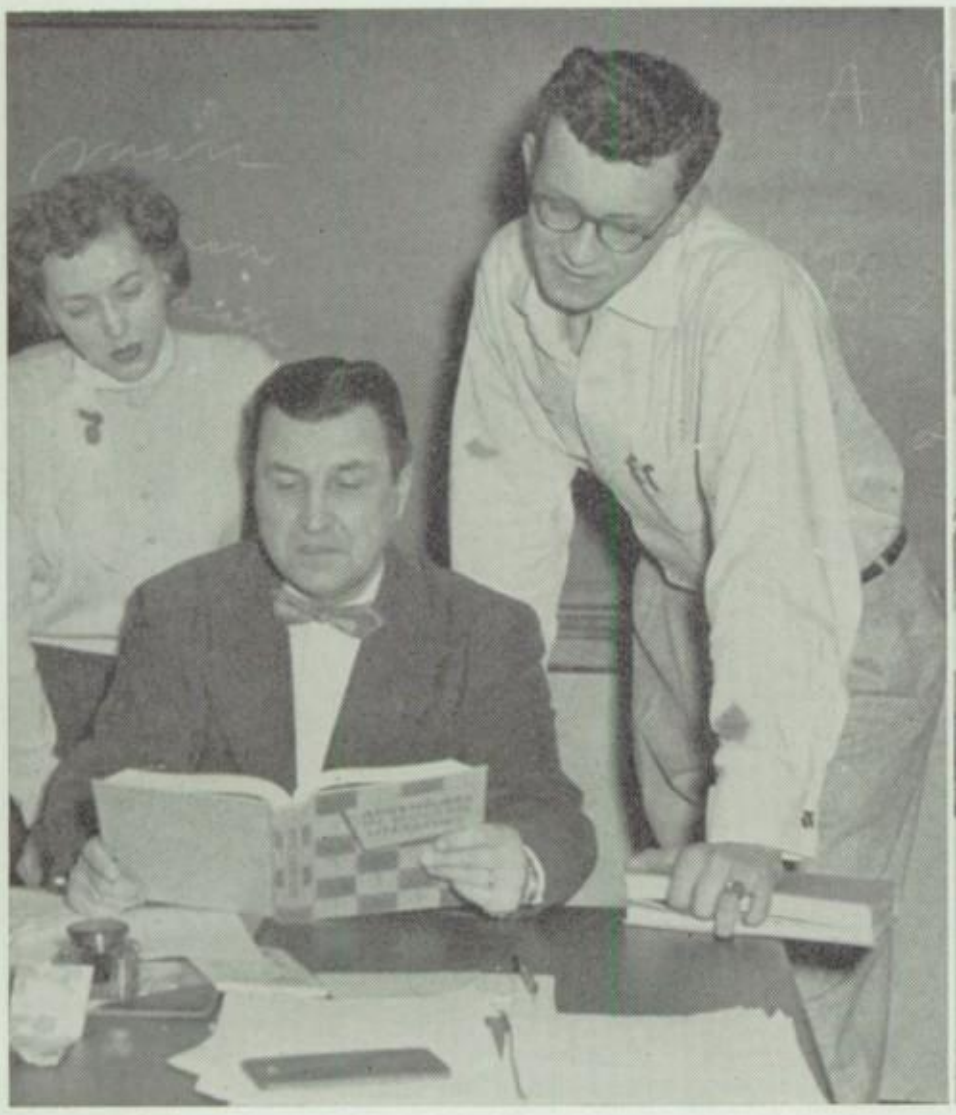
June 15 — Zam Zar Zamin! Till we meet again!
Tom Czaplicki

Big Pow-Wow

SHOW TIME



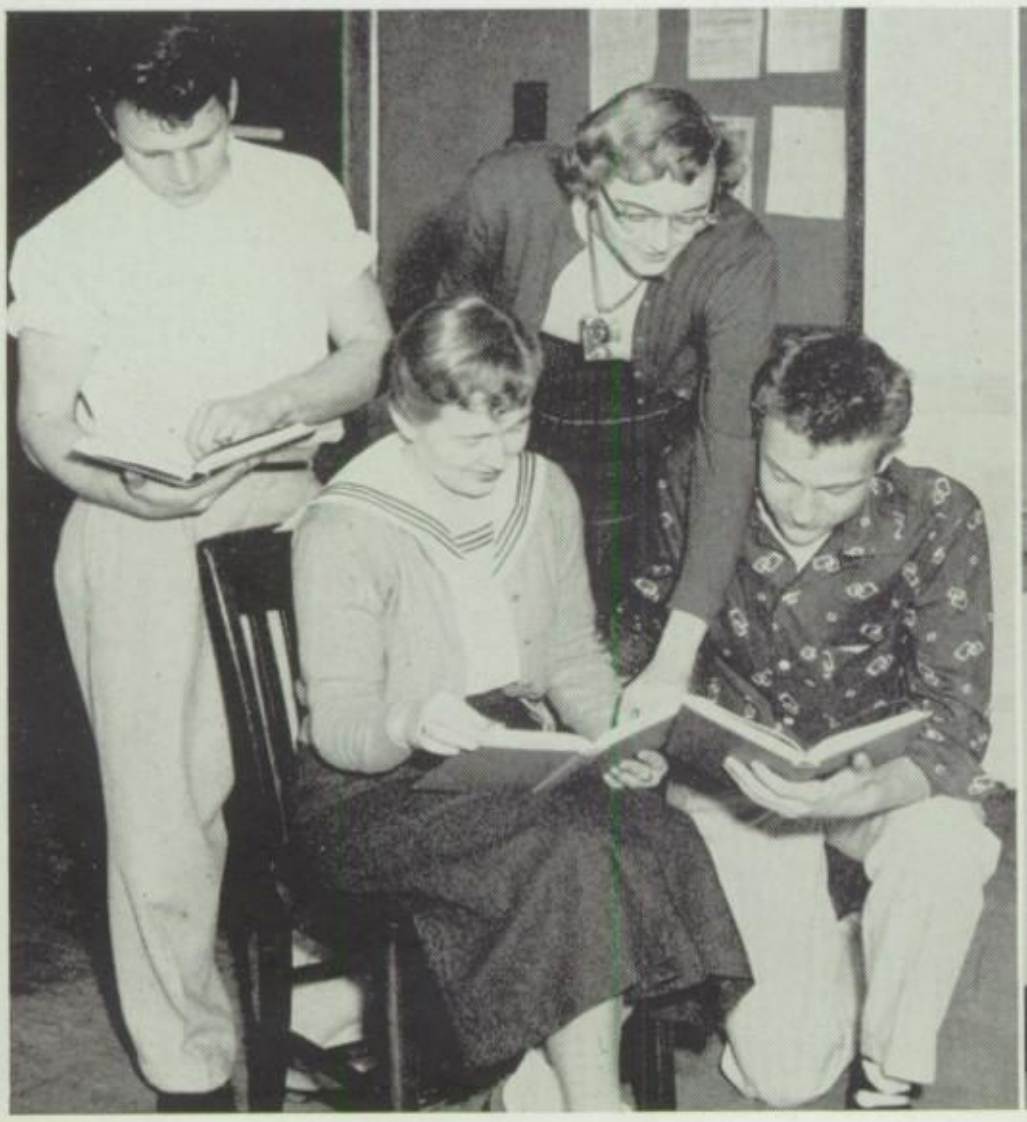
English Department



The English Department has a twofold purpose: to teach students the language skills of effective writing and speaking and to stimulate cultural appreciation and human understanding by the study of literature. Students can therefore develop into well-rounded individuals with an appreciation of beauty and culture and a sense of their social and moral obligations.

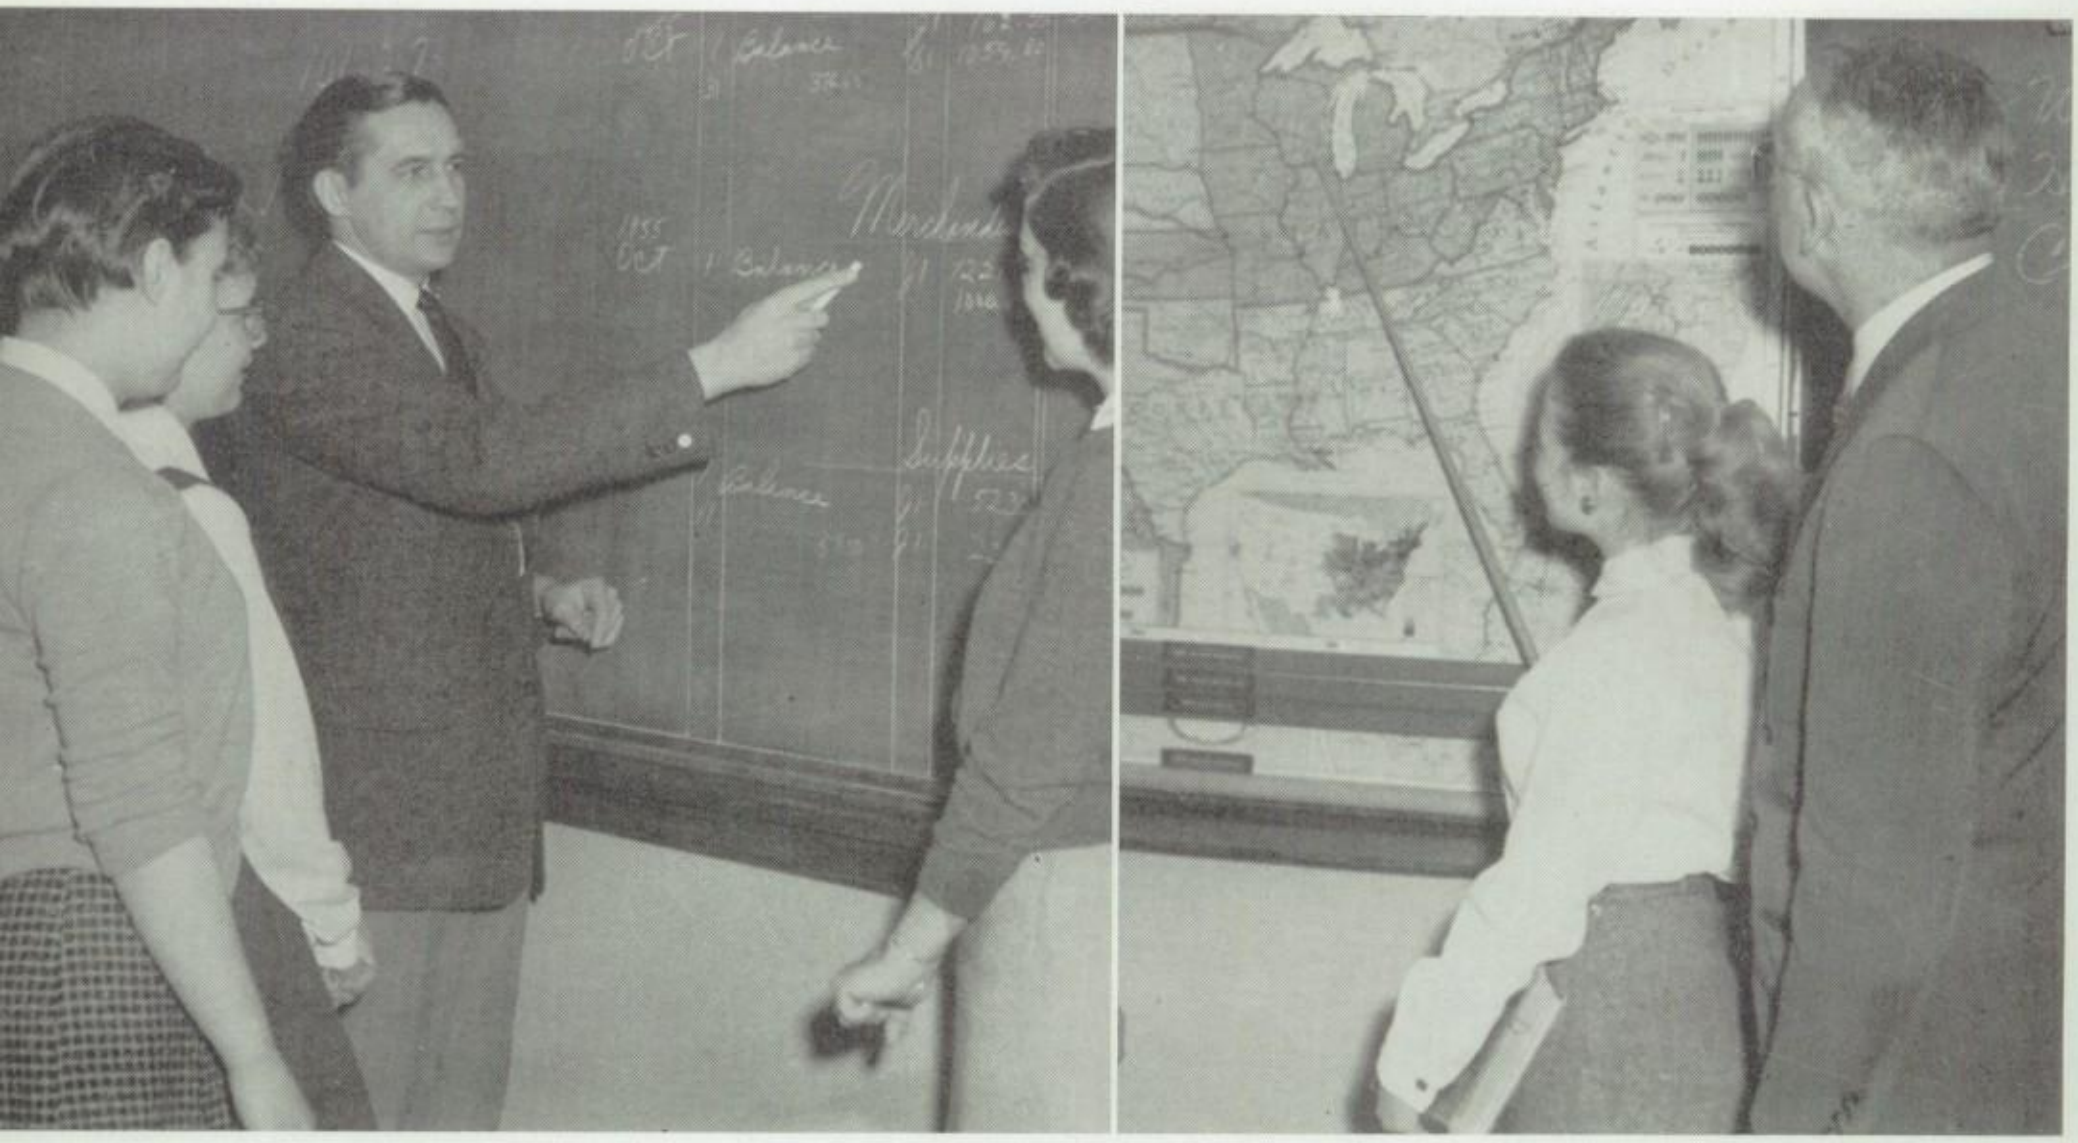
This is a faked picture. E.H.S.

Speech Department



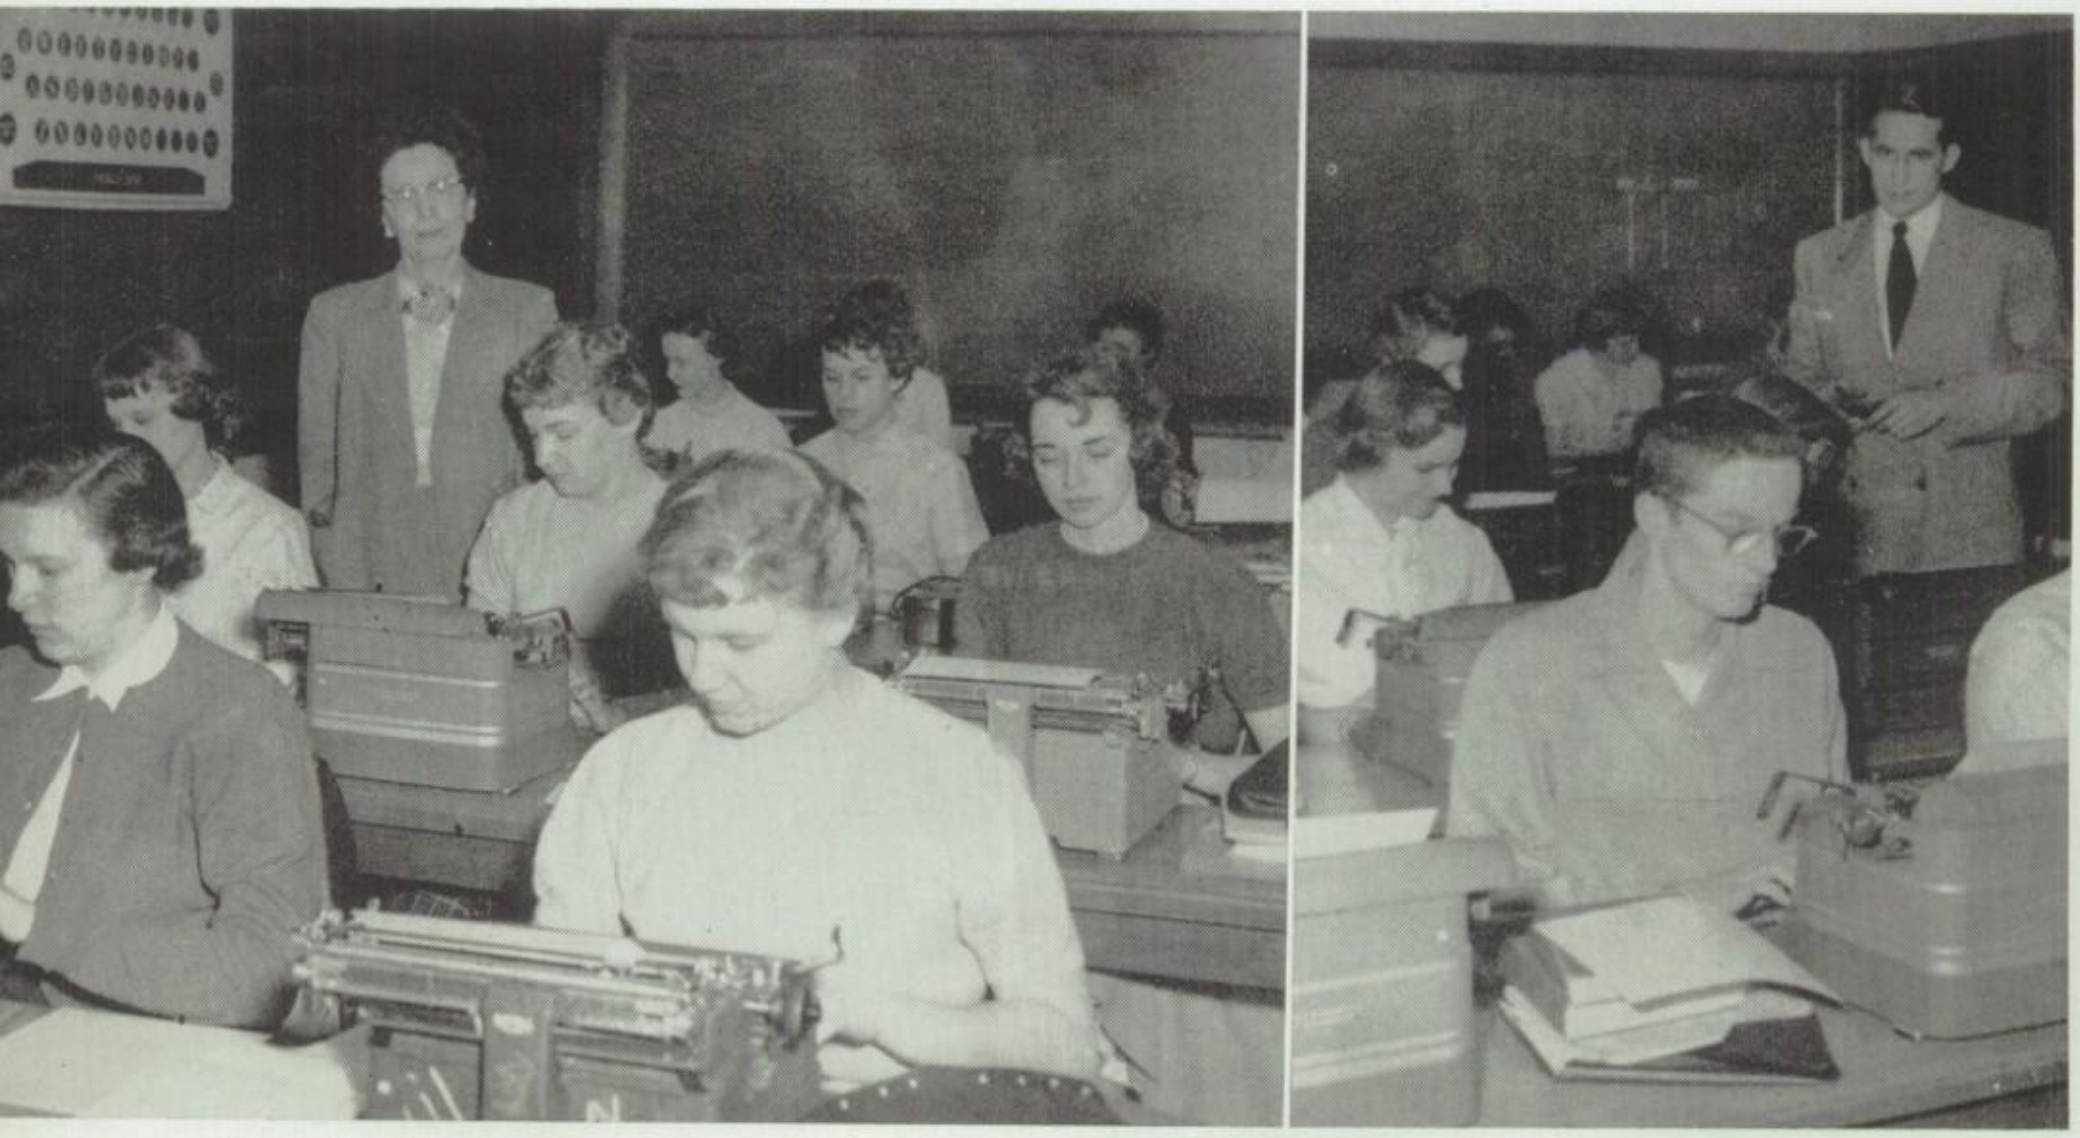
The Speech Department's main purpose is preparing students for our complex world. The course offers fundamentals of conversation, public speaking, and dramatics. It is open to juniors when taken with English or to seniors who have completed three years of English.

Mathematics Department



Mathematics is the subject that prepares us for the future whether we use it in college, industry or in every day living. It is a part of almost every thing in our lives, especially the production of all modern conveniences. Pulaski students are given instructions in mathematics which will prepare them to meet the future fully developed in the knowledge of mathematics.

Commercial Department

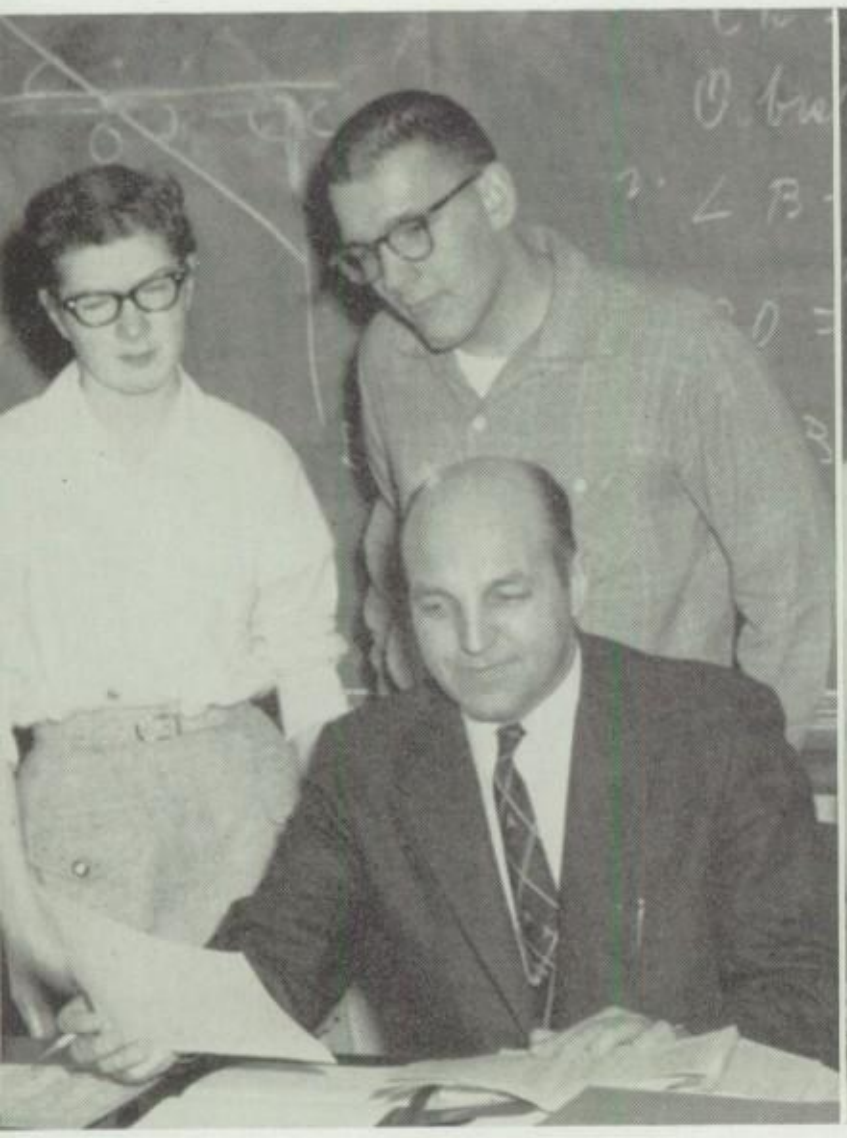


All the business education at Pulaski is centered around the Commercial Department. The purpose of this department is to supply the students with an excellent background and knowledge of the foundation and principles of the commercial world. Commercial students are trained and provided with the proper skills they will need in the future to become competent business men and women.

Foreign Language Department

Pulaski offers the largest choice of foreign languages in the city, which include French, German, Polish, Spanish or Latin. The students may pursue their study in these for two, three, or four years. The emphasis in the first two years is put on everyday use and speaking ability of the language, while the advanced classes study the arts and literature. This wide choice assures the students of one of the phases which will help in their future studies or life work.

Social Science Department



The Social Science Department supplies students with courses dealing with meaning, ideals, and purpose of freedom and democracy. We are given a better understanding of our country, state, community, home and church. This subject should be of interest to all.

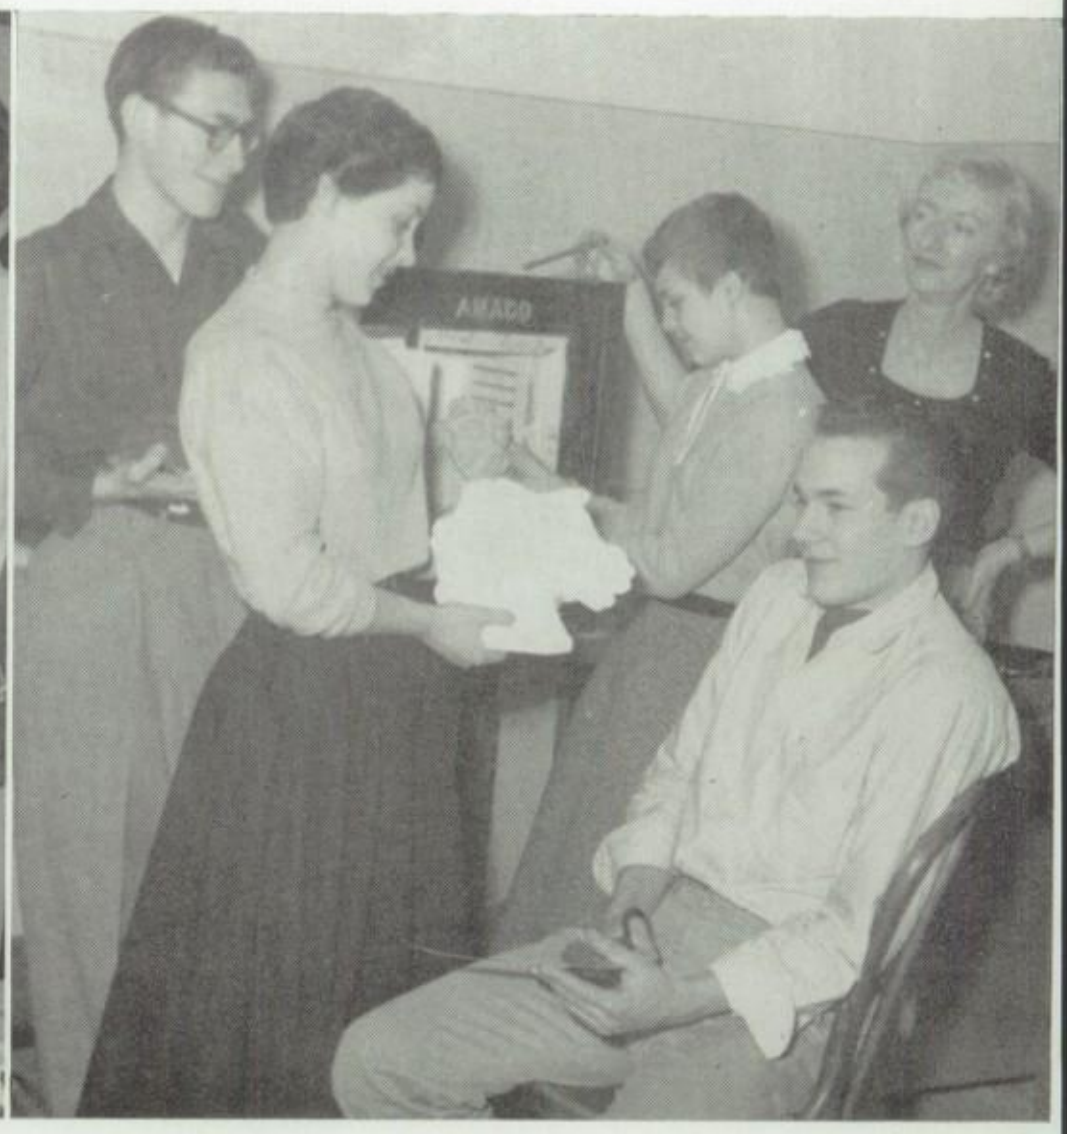
Science Department

The Science Department helps pupils understand, appreciate and adjust themselves to the environment in which they live. It is well equipped to stimulate in its students an interest in some of the scientific possibilities which stem from the development of atomic energy, so that they will be able to play a useful part in the advancement of society.

Home Economics

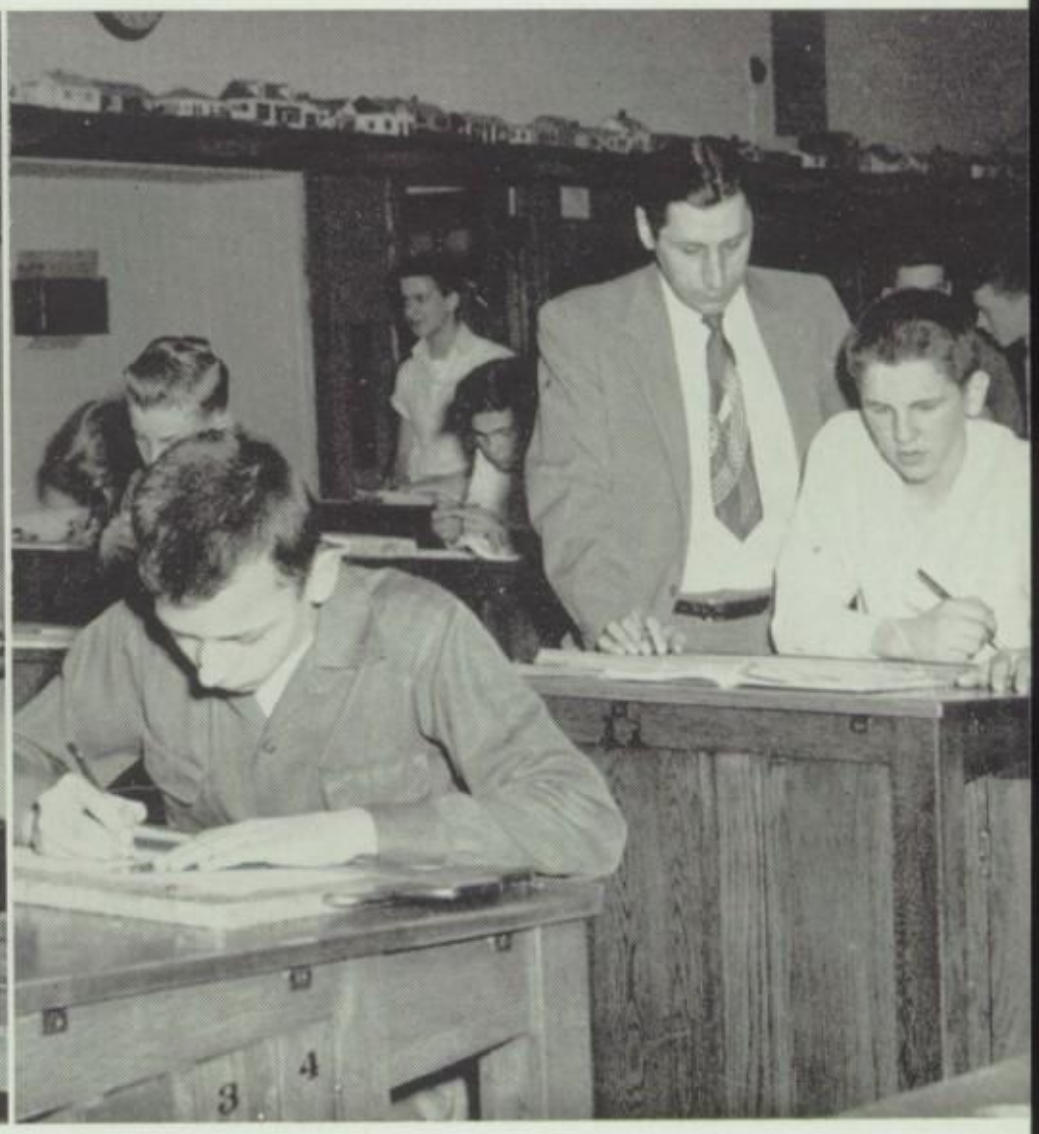
Have you ever walked down the corridors of Pulaski and smelled that wonderful aroma of food? No doubt, that by this time you have guessed where you were. Yes, in the Home Economics Department a variety of classes offering Clothing, Foods, Cafeteria Management, and Family Living can be taken by students from 9-B to 12-A. Many of the girls apply what they have learned by making some of their own clothes. Pulaski's Home Economics Department is designed to help the student of today learn how to manage and maintain happy homes for their families of tomorrow.

Art Department



The Art Department, under the guidance of Mr. Graves, chairman, and Miss Lassen, has been kept busy throughout the year by the needs of the community as well as those of the school. They are frequently called upon to create dance decorations, props for rallies and school productions, and the posters which advertise our school's coming events. Aside from these, they have, in the past, devoted their time to the production of murals for our city hospitals and libraries.

Industrial Arts Department



The young men and women of Pulaski have a wonderful opportunity in the department of Industrial Arts. Our school offers one of the finest departments in Wisconsin and gives the students a chance to use their hands as well as their minds. They may choose Wood Work, Mechanical Drawing, Radio, Metal Working, Automotives, or Drivers education to help them take their places in modern industry.

Physical Education

Our Physical Education Department, under the supervision of Mr. Kenneth Royal, offers a course in basic physical culture. All boys are required to take four years of physical education; while all girls must take three years of physical education and one year of health, which is under the supervision of Mrs. Hancock. Many fields are open to the gym student, including a new special gymnastics class for boys. The new class, taught by Mr. Royal, is an experiment, and if it proves to be a success it may become a part of our athletic program.

Student Service Council

One of the most active and effective organizations of Pulaski High School is the Student Service Council. Under the inspiring guidance of Mr. Richard Hall, the Faculty Adviser, and the capable leadership furnished by Eugene Staack, the President, and Harry Masek, Vice President, this group distinguished itself by rendering devoted service to its school and to its community.

The activities of the Student Service Council include the planning and arranging of student dances and the Homecoming Pep Rally; managing the annual drive by the Homerooms of Pulaski to provide Thanksgiving baskets for the needy, and distributing them throughout the city; taking full charge of the Community Chest campaign when students are encouraged to contribute trinkets that are eventually sent overseas destined for destitute children.

It is with a feeling of elation that the annual accomplishments of the Student Service Council are reviewed. A special vote of commendation to them for their unselfish efforts in behalf of the school and the community.

Annual Staff

Pulaski's Cavalier Annual is the product of a year's planning and arduous work on the part of the student staff. In recognition, certain members receive the Quill and Scroll Award. Being a part of this staff gives the students a feeling of leadership and responsibility. It provides them with an opportunity to exercise their journalistic abilities. The staff members are kept occupied composing all written materials, and designing the cover and division pages. Frequent trips to the printer and engraver also occupy much time. The Annual is planned to provide the students with a remembrance of the year's sport events, dances, clubs, student productions and other extra-curricular activities.

Bostater, Mr. Graves, D. Basco, J. Gasper, R. Romeo.

The Quill and Scroll is an international society to which outstanding school journalists may belong. Since the membership is limited, there are certain set standards:

The student must be a senior and in the upper third of his class, he must have done superior work in some field of journalism, and he must be recommended by the supervisor governing the publication. The supervisors for our annual are Mr. Ralph Graves and Mr. E. G. Olszyk while the supervisor for the newspaper is Mr. John Lyons.

Newspaper Reporters

Row 5: C. Hartman, C. Johnson, K. Drewniak, J. Boone, W. Chimka, R. Classey, R. Over; *Row 4:* M. Beirle, J. Gose, D. Giovanetti, D. Huenecke, B. Topley, M. Wood, D. Hahlbeck, F. Nicklebein, C. Hansen; *Bottom Row:* G. Cwiklowski, R. Romeo, R. Scherer, J. Novotny, F. Gebert, A. Tanck, R. Maciolek.

Newspaper

Pulaski's student publication, the Cavalier, is the product of many long but enjoyable hours of work. It is a member of the Quill and Scroll Society and has been judged the third place winner in the annual Wisconsin Anti-Tuberculosis Association School Press Project. The Cavalier Staff members are kept busy gathering news, obtaining ads, making up pages, headline writing, and proof-reading. Frequent trips to the printer and engraver also occupy much time. Each issue of the Cavalier is planned to be of interest and enjoyment to all Pulaskians.

2nd Row: P. Steinbach, C. Kosnicki, M. Mayer, D. Koralewski, J. Macek; *1st Row:* J. Walker, K. Mozack, V. Schneider, M. Ryan, J. Lindquist, J. Jacobsen.

A Cappella

The A Cappella Choir, under the direction of Mr. Niefer, participates in many events in school, as well as in the entire community. This year, one of their most important appearances was a half-hour concert on television. Among other numerous engagements, they take part in Commencement, the Spring Concert, and the Christmas Program.

Row 4: R. Teschendorf, C. Brzycki, R. Duffner, F. Koehler, R. Hanson, J. Gasper, H. Sobczyk, *Row 3:* D. Lynn, K. Stachowiak, K. Mika, M. Mitchell, G. Anderson, F. Urbanski; *Row 2:* W. Schnapp, G. Schaefer, C. Schuh, M. Helland, L. Behling, E. Lofy, T. Ondrejech; *Bottom Row:* B. Vick, A. Sorenson, S. Pelkowski, S. Zunker, J. Radski, E. Fisher, N. Glavan.

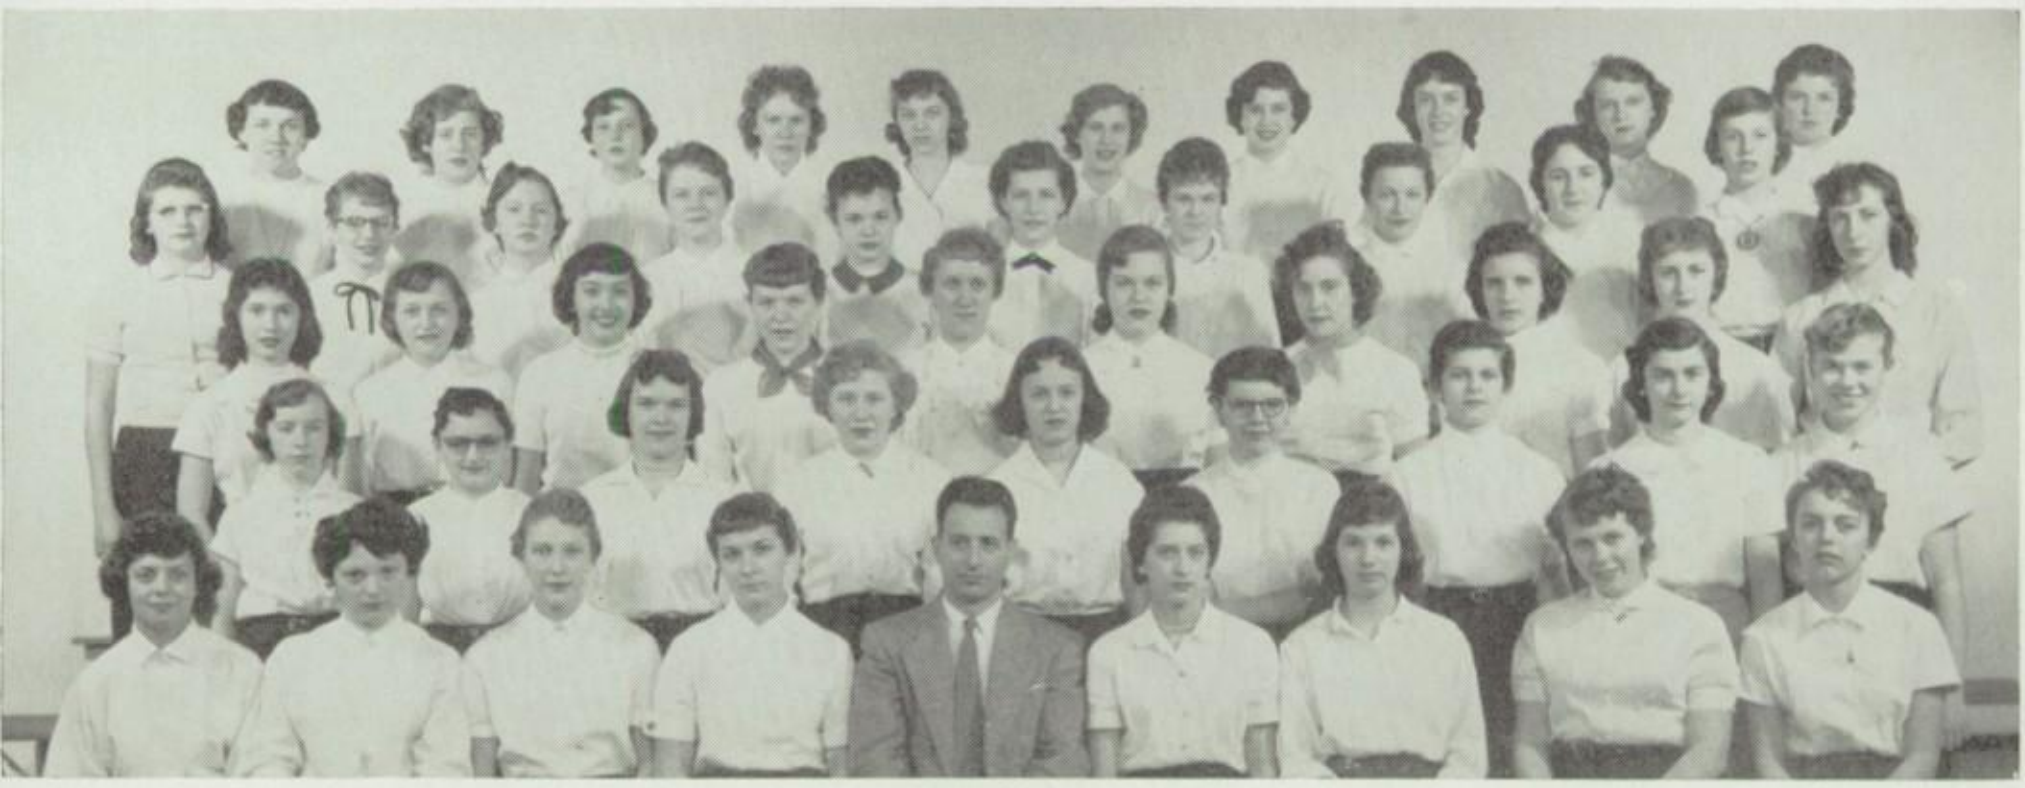
Rausch, . Grueneberg; *Bottom Row:* J. Cramer, D. odge, C. Kujawski, J. Felber, B. Weckerth, P. Luebke.

Row 4: R. Kitzrow, J. Kucharski, D. Harsh, J. Gollhardt, R. Tischer, Mr. Niefer; *Row 3:* J. Unglaube, D. Smith, J. Gorski, G. Beier, B. Jens, J. Havey; *Row 2:* J. Winninger, J. Koltunski, S. Krueger, B. Wichman, M. Borkowski, N. Norman; *Bottom Row:* R. Marett, P. Przedwiecki, S. Petrowiak, B. Kulinski, R. Mittag, E. Sanderson.

Glee Club

The Girls' Glee Club, under the dual direction of Mr. Raccoli and Mr. Stepner, has a membership of about 250. Performing in the Spring Concert and the Christmas Program, the girls also assisted the Choir at the June graduation of 1955. The Girls' Glee Club this year has sung Humperdinck's "Prayer from Hansel and Gretel", "Behold That Star", a spiritual, and "Sleeping Beauty Waltz", by Tchaikovsky.

Mixed Chorus



The Mixed Chorus consists of the Girls' Chorus, under the direction of Mr. Niefer, and the Boys' Glee Club, directed by Mr. Stepner. These two groups rehearse together once weekly. The combined Chorus practices such pieces as "Swing Low, Sweet Chariot", and Beethoven's "The Heavens Resound". The Boys' Glee has performed for teachers' parties; the Girls' Chorus sings with the Girls' Glee in the Christmas Program and the Spring Concert.

Office Staff

The hub of any school is the office staff. The office staff concerns itself with every thing that goes on in school. Miss Erickson, Miss Kagel, Mrs. Haggith, Miss Zimmerman, Miss Troglia, and Miss Jasinski form one of the most highly trained and efficient staffs in the city. They are aided by a force of student monitors.

Miss Erickson

Mrs. Haggith

Miss Zimmerman

Office and Guidance Monitors

Row 6: G. Grafenauer, M. Wood, N. Betanski, J. Kielczynski, B. Dzierski, K. Beduhn, J. Wiegan, C. Hansen, G. Sutton; *Row 5:* H. Kozminski, R. Tsetsas, M. Kiel, B. Allen, J. Fularczyk, J. Miss Kagel

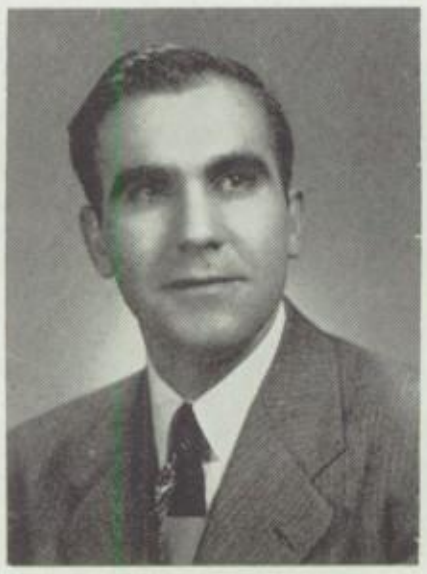
Mrs. Troglia

Miss Jasinski

Administration



Mr. Stekiel

Mr. Tiernan

Attendance Monitors

The attendance monitors assist Mrs. Haggith by collecting absence lists, recording them, and filing them, along with handling of excuses and attendant duties.

Row 4: J. Gose, J. Wysocki, M. Wojciechowski, A. Eberl, J. Kielczynski, C. Kintop, G. Friedrick; *Row 3:* P. Zielinski, S. Przybyla, B. Phillips, C. Kaczmarek, P. Ewaskowitz, J. Jens; *Row 2:* Y. Szymanowski, J. Feryan, C. Galaska, J. Tomke, J. Kelhofer, J. Szurgot, K. Casper; *Bottom Row:* S. Kubiak, J. Klapczynski, G. Mazurkiewicz, K. Dolan, E. Jason, D. Szmania.

Library

A fine example of beauty and efficiency is the Pulaski High School library. Under the direction of Miss Tierney and an excellent staff of library monitors., the library supplies students with the finest reference materials, a variety of well-known magazines, newspapers and periodicals, and the best in literature. An up-to-date bulletin board is an added attraction.

Miss Tierney

Library and Infirmary Monitors

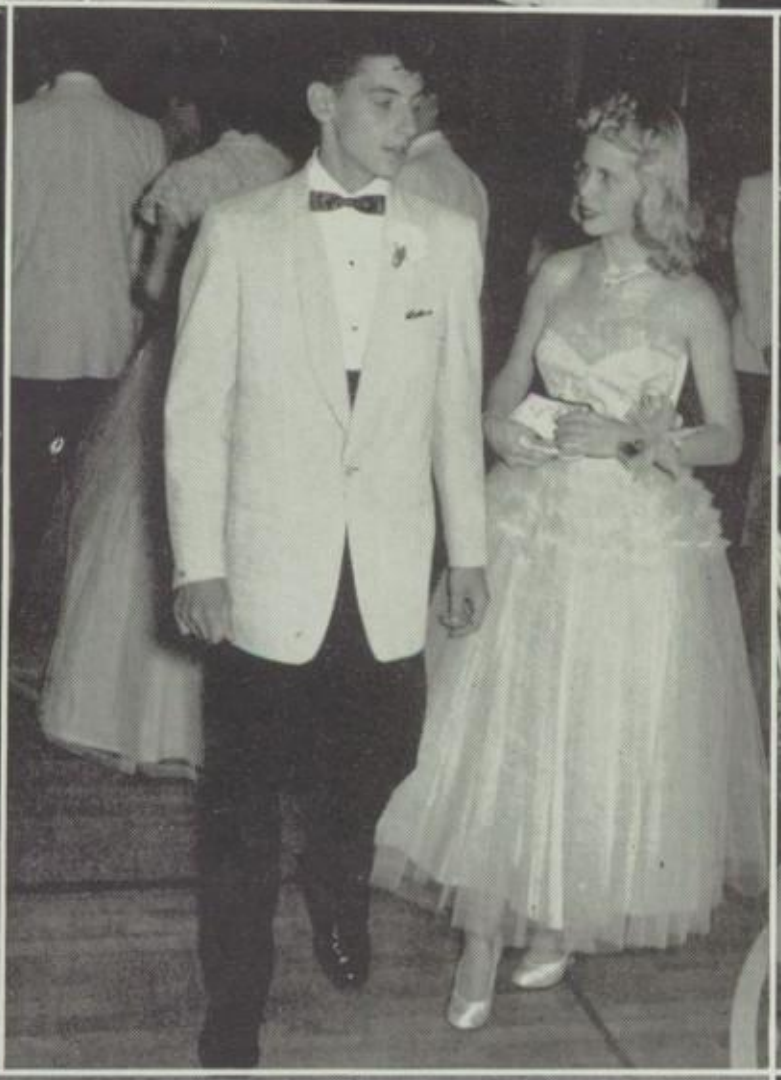
Row 6: C. Karczewski, M. Kondrakiewicz, R. Lecnar, K. Hilton, C. Bichler, E. Knoll, B. Kuczynski, J. Millen; *Row 5:* J. Kielczynski, M. Fenske, C. Dombrowski, A. Hultgren, J. Friebel, B. Lester, C. Beatovic, V. Swiatek, F. Soyak, M. Zehner, K. Theurich, B. Dzierski, D. Abelt; *Row 2:* C. Weber, T. Czayka, C. Czayka, K. Pawlowske, C. Baldewicz, M. Olcott, P. Przedwiedsi, S. Enriquez, E. Dunning; *Row 1:* D. Smukowski, K. Schmidt, M. Juers, D. Kaiser, B. Ferguson, C. Engelke, C. Hartman, N. Hart.

Mrs. Hancock

Infirmary

An infirmary is a vital part of a well-run school. Our infirmary, under the direction of Mrs. Hancock, and staffed by capable student monitors, is a sort of miniature emergency hospital, offering first aid for minor injuries, and the periodic services of the school nurse and the doctor. The comforts of the infirmary make Pulaski life more pleasant.

Junior Prom



A never-to-be forgotten evening was spent by students who attended the 1955 Junior Prom. Bron Latti and his orchestra provided the "Melody of Love" and couples twirled under "Skylarks" that decorated the gym ceiling.

King Bob Over and Queen Laura Primeau reigned over a glittering court of honor. Members of the court were: Gene Staacke, Diane Czarnecki; Mike Keeker, Joyce Kaminski; Clyde Lawnicki, Shirley Lowell; Tom George, Helen Bussian; Jerry Fredenberg, Hania Kozminski; Tom Czaplicki, Emilie Jason; Jack Roggenback, Elaine Bury; Greg Cornehls, Mary Bednarek; James Konicke, Barbara Dzierski; Fred Gebert, Arlene Arnesen; Bob Anderson, Barbara Switalski; Stanley Leager, Donna Gruenwald; Robert Tuchalski, Joyce Washechek; Tom Hauke, Julie Marriner; Fred Unger, Rita Wickham; Dallas Pankowski, Shirley Pelkowski; Donald Ewert, Lois Lang; William Eve, Ruth Gibb.

The Post Prom party, sponsored by the Layton Park Lions Club, was also a great success as delicious food was served and entertainment provided. All-in-all, it was an evening that will linger in our memory for a long while.

ARCHERY

Mr. Wielgosz

At some time in our lives we all wish we could shoot a bow and arrow. The Archery Club under the direction of Mr. Wielgosz gives interested boys and girls the opportunity to satisfy this urge. Beginners are taught the fundamentals, while more experienced members work to perfect their techniques. The Archery Club meets once a week during eighth hour.

BALLROOM DANCING

Mrs. Hancock, Mr. Thurner

Ballroom Dancing, under the direction of Mrs. Viola Hancock, is open mainly to junior and senior students. Here the basic fundamental steps of such dances as the Fox Trot, Waltz, Bunny Hop, Two Step and the Tango are taught. The main purpose of the club is to promote a larger attendance at our dances, especially the Jr.-Prom. The members of this club gain poise and ease on the dance floor and acquire many new friends.

THE BOOKSTORE

Mr. Jankowski

The bookstore, which is operated by Mr. Jankowski, provides opportunities for clerking, manipulating a cash register, use of adding machines.

Some of the qualifications a bookstore monitor must possess are: extreme honesty, pleasing personality, a determination to work, and the ability to maintain a "B" average or better in his studies.

The girls working in the bookstore this year are: Shirley Pelkowski, head cashier; Dorothy Halbeck, assistant cashier; Karen Bannerman and Joyce Jacobs, clerks.

CAMERA CRAFT CLUB

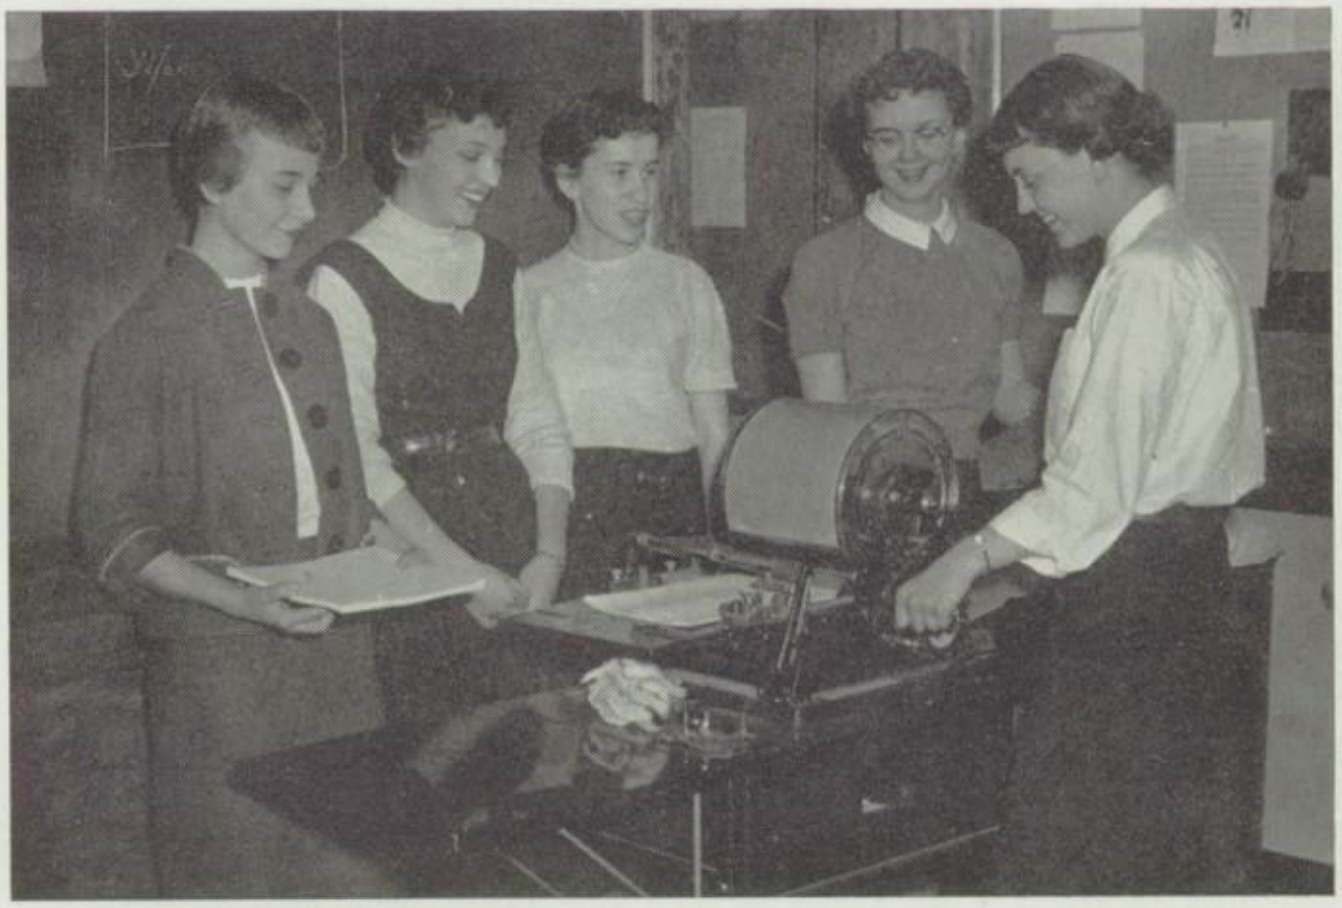
Mr. Hall

Pulaski students interested in photography may further their interest by joining the Camera Craft Club supervised by Mr. Hall. Members of the club are studying picture-taking, developing, printing and enlarging which will instruct the beginner in photography fundamentals as well as give the advanced students valuable experience for further study in the field of photography.

COMMERCIAL SERVICE CLUB

Miss Lindsay

The Commercial Service Club, under the direction of Miss Delia Lindsay, provides its members with an excellent background in the technical skills so important to anyone who plans on entering the business world today. The members of the club cut stencils, operate mimeograph machines, and improve their skills in typing. This group, which meets during the eighth hour every Monday, is open to all ambitious juniors and seniors who are anxious to become competent business men and women after graduation.



FASHION DESIGN

Miss Lassen

The goal of the Fashion Design Club is to create new fashion designers for the future. The students are taught inward poise as well as outward poise and are inspired to try out in the fields of fashion and art. The club's purpose is not only to study dress design, but to cultivate the manners, traits, and character that are typical of Pulaski.

Miss Ruth Lassen, faculty advisor of the group, helps the students to concentrate on the correct and incorrect way of wearing clothes, and the students present fashion shows to illustrate this.

THE FUTURE TEACHERS CLUB

Miss McGary

The Future Teachers Club under the guidance of Miss McGary has had a very progressive year. The elected officers were: President, Bill Wisialowski; Vice President, Janet Kielczynski; Secretary, Ellen Ewing; Treasurer, Nancy Smith, and Program Chairman, Shirley Pelkowski.

Some of their activities during the year were a speech by a foreign exchange student from Norway on Norway's school system, a trip to the University of Wisconsin, Madison, to learn about the teacher training set up there, helped Cudahy High School set up a Future Teachers Club, and individual club members took over classes at Pulaski in the case of a teacher's absence.

INDUSTRIAL ARTS SERVICE CLUB

Mr. Schulz

The purpose of Pulaski's Industrial Arts Service Club is to give assistance whenever it is needed. They construct the many props for the rallies, plays, and other school projects. Ideas and drawings are formulated and made during the first part of the week, then the completion of these ideas is done during Thursday's and Friday's eight hours, in Mr. Schulz's Woodshop 4. The boys have the satisfaction of participating in and seeing their accomplished work. Various dances, plays, and individual school requests for repairs were serviced by this club. Planning, drawing, estimating, and viewing with a sense of work well done were the principles of the club.

INTERNATIONAL CLUB

Mrs. Aylward

This year, the Folk Fair held during Thanksgiving week, was more colorful than ever with its sale of flowers, goodies and especially foreign pastries baked by members of the International Club that has become an established custom at Pulaski. This year's profits were used for Thanksgiving Baskets and food packages for the most needy in any part of the world. As a reward the students were served in style in the cafeteria by caterers.

Other international activities in the club vary from year to year. This year foreign exchange students arrived from England and Austria and told of their trips abroad and experiences. It is one of the main functions of the club to stimulate high school interest in abroad as a fine means of achieving international understandings.

LIFESAVING CLUB

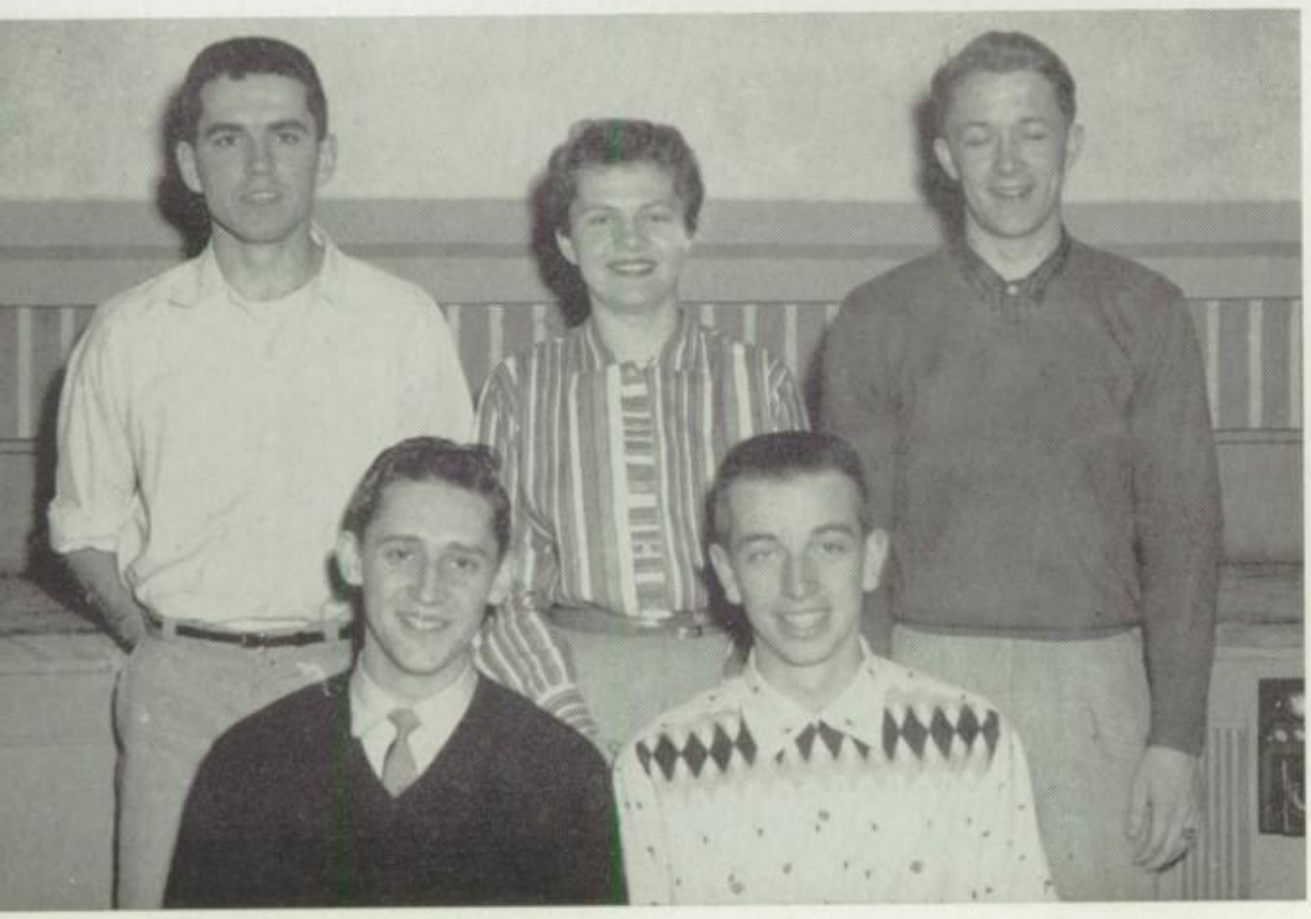
Mr. Wielgosz

The Lifesaving Club, sponsored by Mr. Mathew Wielgosz, helps students to learn lifesaving procedure and water safety. To be admitted to lifesaving an applicant must first pass a test which requires him to swim three hundred yards for Junior and five hundred yards for Senior Lifesaving, executing the crawl, side, elementary back and breast strokes. He must also tread water for one and one-half minutes, disrobe in the water, and hold one's breath under water for twenty seconds. The applicant should also be able to recover a ten pound weight from nine feet of water. The club is open to all grades, ninth through twelfth, the ninth and tenth graders trying for the Junior Lifesaving award and the eleventh and twelfth trying for the Senior Lifesaving award. This training in Lifesaving helps many boys to secure life guard positions, which helps to earn money for their college education.

ORCHESIS

Mrs. Dougherty

Hard work and determination are put together with a lot of fun and laughter when the Orchesis Club meets in the gym every Thursday under the direction of Mrs. Dougherty. The result—A lot of aching muscles and a wonderful performance. The girls learn to do falls, leaps, jumps, and similar motions. Later in the year they put on a show, this year having been "The Juggler of Notre Dame", which was a tremendous success and scored a hit with everyone.



PUBLIC ADDRESS CREW

Mr. Hall

The typical Pulaski day is brightened by the cheerful voices of our Public Address Crew. The students involved are chosen each year by the Student Service Council under the guidance of Mr. Richard Hall. They are judged on the basis of voice quality and speaking ability. Many try out for the positions, but only a few are chosen.

RADIO COMMUNICATION

Mr. Winkler

The Radio Communications Club, instructed by Mr. Winkler, consists of boys who are "Radio Hams" and are interested in making radio contacts.

These boys spend their time with the transmitters and receivers in room 410, eighth hour every Monday. An exchange of Q.S.L. cards is made after the members make their radio contacts.

Pulaski's station, which was issued to Mr. Winkler, is W9UCI.

SCIENCE CLUB

Miss Becker

The Science Club strives to promote among its members a better understanding of the methods of science and the work that scientists do. Under the sponsorship of Miss Becker (Mrs. Ciric worked with the group during the first semester), the group carries on discussions relating to the fields of science in which there is an interest, performs experiments, sees films, and makes tours of industrial laboratories to become familiar with the techniques that are in practice.

Individual and group projects give young scientists an introduction to research of their own and an opportunity to present results of their studies to the group.

SPANISH CLUB

Miss Flynn

Pulaski's Spanish Club is under the leadership of Miss Annette Flynn. The purpose of the club is scholastic as well as recreational. The officers of the Spanish Club are: Irving Boberski, president; Ralph Maciolek, vice-president; Marlene Zekner, secretary, and Robert Buehler, treasurer.

SENIOR PLANNING COMMITTEE

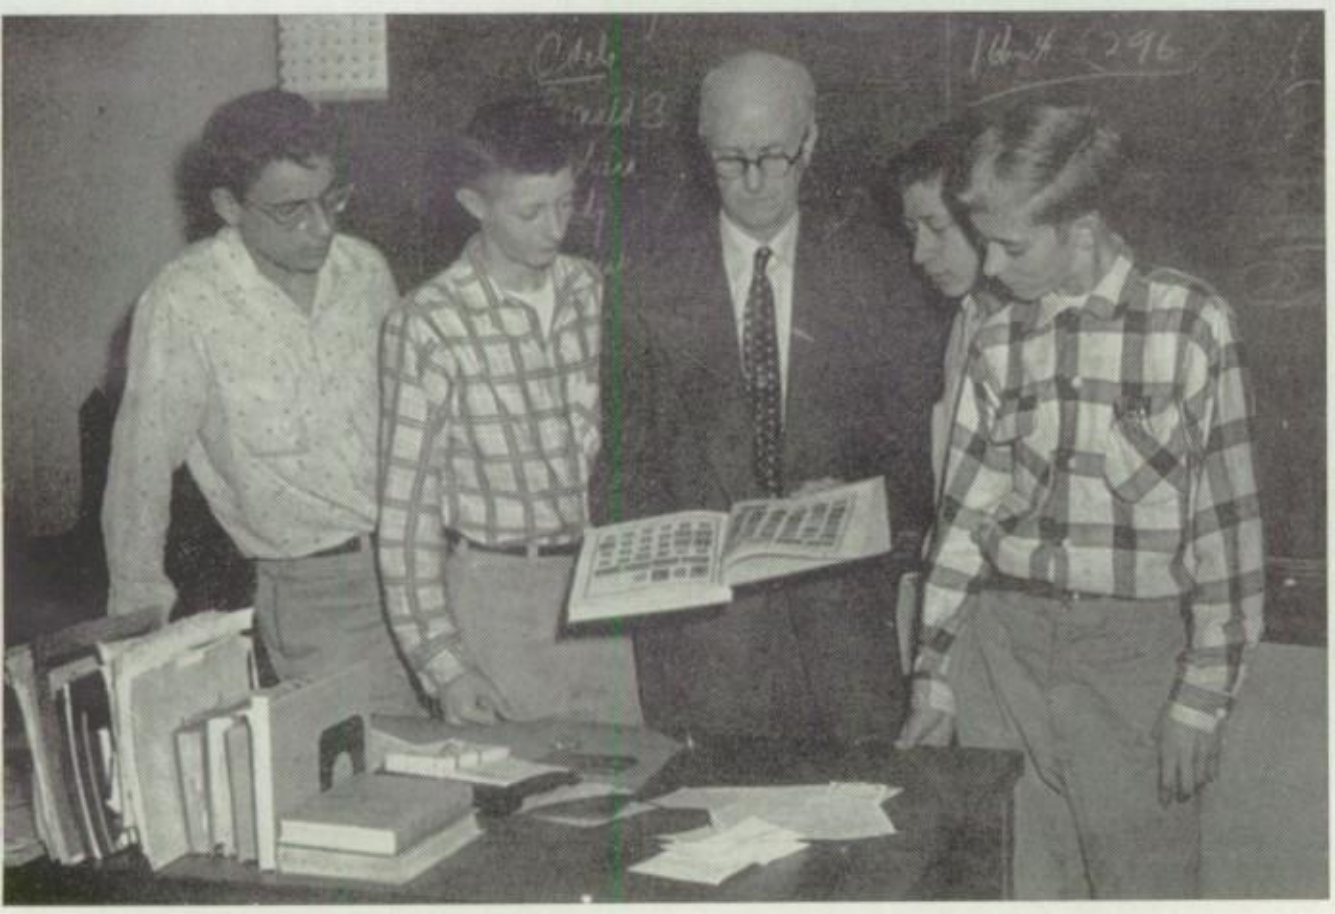
Mr. Thurner

The Senior Planning Committee, under the supervision of Mr. Alfred Thurner, has been very helpful in organizing many of the senior activities. It consists of one elected member from each senior homeroom and carries back current information pertaining to seniors. They assist with the Wisconsin State Employment Testing Program, help fellow classmates in taking the Kuder Preference Test and in the planning of college and vocational day programs. This year they conducted the election of class officers and the voting on the method of holding commencement exercises.

STAGE CREW

Mr. Schmidt

The stage crew, under the direction of Mr. Leonard Schmidt, are the unsung heroes of Pulaski. These boys work diligently for spring concerts, class plays, auditorium programs, and noon hour movies. Although their work is done silently and goes unnoticed, our program would not be a success without them.



STAMP CLUB

Mr. Shaw

The stamp club, under the direction of Mr. Raymond Shaw, has been so popular with the students that it became necessary to divide the group into two. The girls meet on Thursdays and the boys on Mondays. Both groups exchange basically the same ideas and keep themselves up to date on current events by paging through the numerous stamp catalogues, magazines and newspapers available in the club room. Lectures and informal discussions are held for the interchanging of new information on various displays.

Booster Club

Mrs. Dougherty

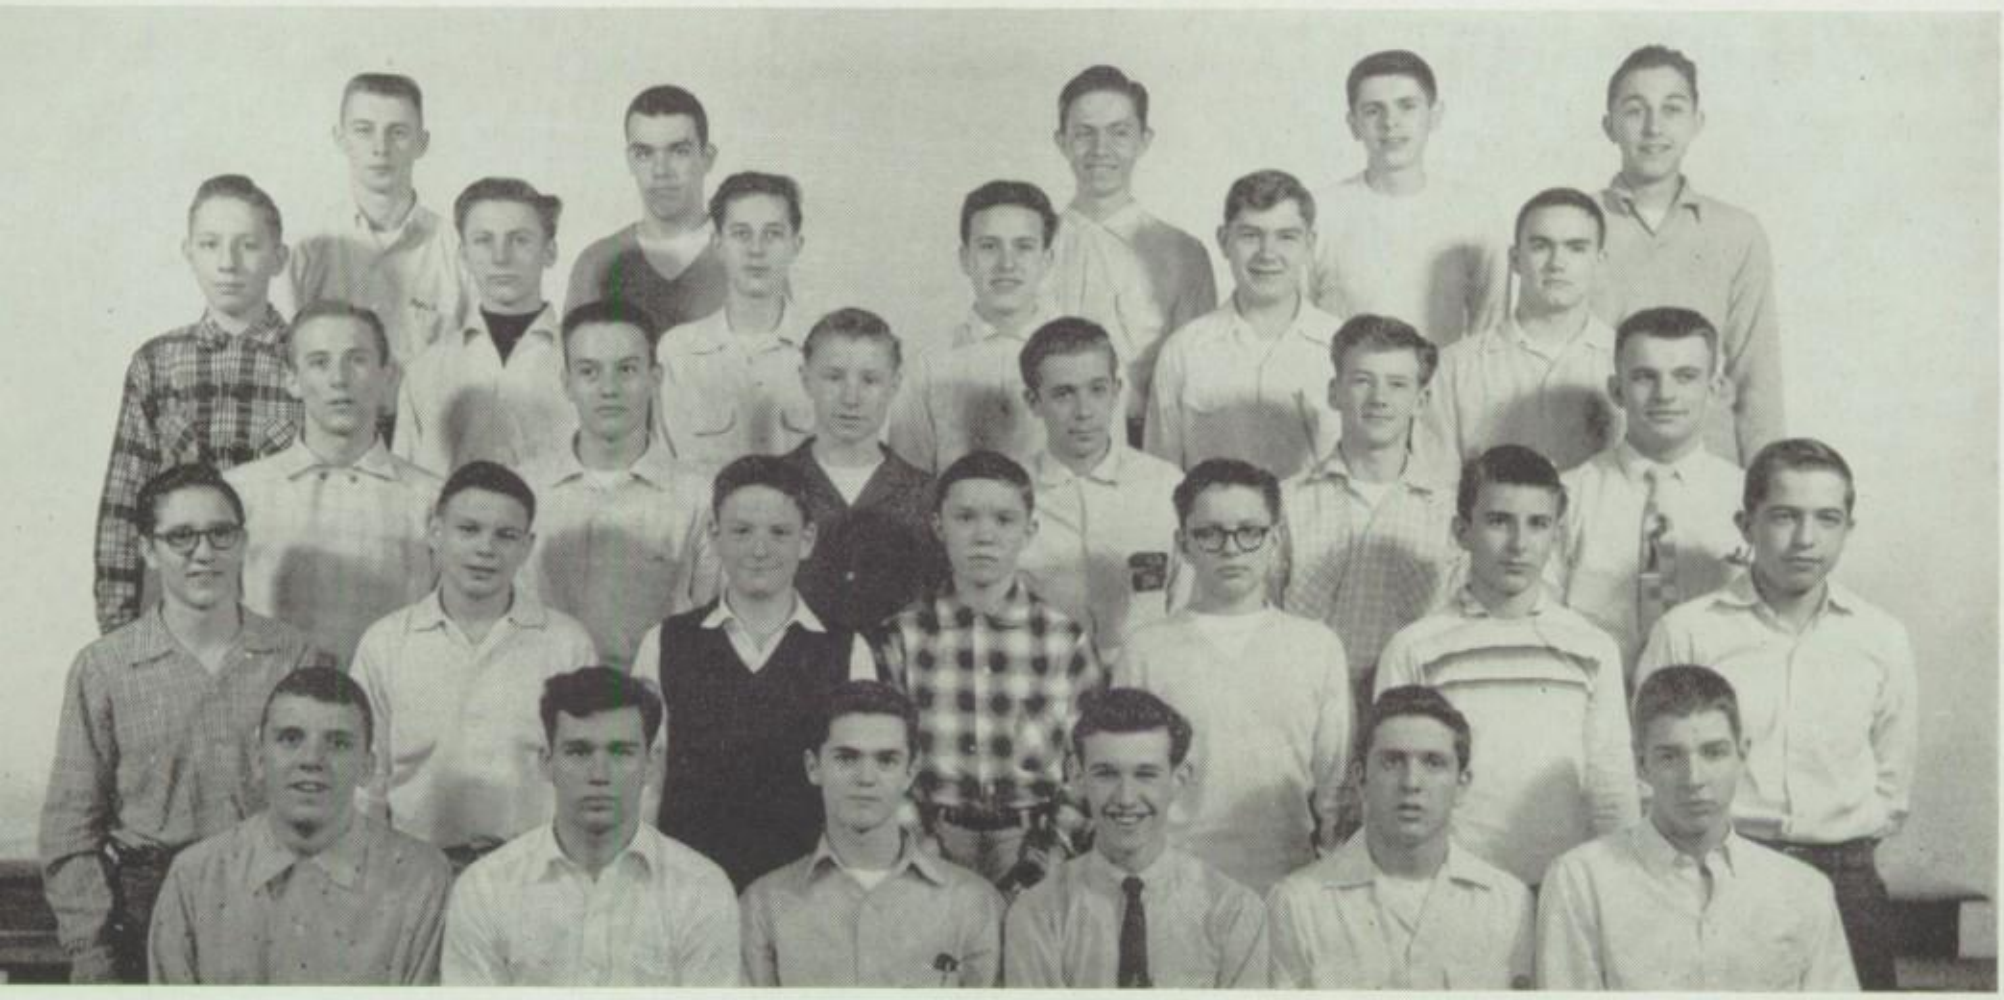
The Booster Club is a new school organization under the direction of Mrs. Dougherty. The club was organized to boost the sales of pom poms, football pins, and tickets for all school functions. It now consists of nineteen senior girls, but there are plans to increase the membership of the club in the future. The girls wear red blazers and navy blue skirts as uniforms.

Blue Mask

Mr. Simpson, Miss McGarry

In order to meet the desires of the students, the Blue Mask Club has been divided into two different groups. Mr. Simpson's group learns the arts of speaking, putting the greatest emphasis on debating, while Miss McGarry's group concentrates mainly on dramatics. Whether a student is interested in oration or dramatics, he will find what he wants in the Blue Mask Club.

Projection Crew



Row 5: J. Roggenbach, G. Place, K. Kosharek, R. Koblewski, L. Rydlewicz, *Row 4:* G. Ligocki, T. Kopczynski, R. Ivkovich, C. Littman, T. Geoffrey, R. Maciolek; *Row 3:* I. Boberski, R. Ciepluch, E. Hohmann, R. Richman, G. Tomczak, R. Wernsman; *Row 2:* F. Petran, D. Wnukowski, D. Nuesse, O. Cahak, T. Burgermeister, P. Krush, J. Wyrwas; *Row 1:* G. Hoeth, L. Nabrzyski, D. Lyon, W. Grenya, K. Jarecki, R. Burmeister.

Girls' Club Planning Committee

Row 5: R. Lopate, S. Micale, R. Palicka, D. Januchowski, J. Langneas, M. Brown; *Row 4:* D. Rozanski, S. Laschen, T. Felber, K. Yock, D. Bartz, C. Szewczykowski, K. Bruening; *Row 3:* K. Andraszczyk, K. Manke, R. Solarz, J. Sorensen, N. Zabkowicz, J. Pielech; *Row 2:* L. Robak, C. Kolczynski, J. Hurley, M. Stanny, A. Heling, J. Goller, M. Zeranowski; *Row 1:* N. Kay, M. Kuske, D. Douglas, B. Fojut, A. Norris, S. Seeber.

Cafeteria

The students at Pulaski are able to pick the fourth, fifth, or sixth hour as their lunch period. The cafeteria gives a student the opportunity to buy a hot lunch at a reasonable price under the government subsidized program. Milk, ice cream, and candy may also be purchased to eat along with the lunches from home. After a length of time students may attend a movie in the auditorium, go outside, or stay in the cafeteria and do homework or visit with their friends.

MRS. BRANDT

Ushers

Row 3: J. Nickelbein, M. Ludka, B. Steffen, P. Pares, C. Yost, N. Seer; *Row 2:* J. Cofta, J. Popek, M. Olcott, H. Serandos, C. Nelson, M. Kupsik; *Bottom Row:* J. Moczynski, A. Markunas, E. F. Merbach, A. Meinberg, C. Paul.

Senior Class Play

This year's Senior Class Play, "The Curious Savage," was successfully presented on May 25 and 26, under the direction of Miss Deone McGarry.

"The Curious Savage" is a comedy depicting the incidents which occur after an elderly woman inherits a huge sum of money in negotiable bonds. When her children learn of her intentions to give the money away, they endeavor to have her committed to a mental institution. Through her unusual wit, she manages to confuse and intimidate her greedy offspring. This seems to prove that the people inside the mental home are a good deal more sane than those running around loose outside.

Cast

Judy Fularczyk	*Florence*
Wayne King	*Hannible*
Karen Wells	*Fairy May*
Bill Wisialowski	*Jeff*
Emilie Jason	*Mrs. Paddy*
Ken Simatic	*Titus Savage*
Bill Chimpka	*Samuel Savage*
Mary Wood	*Lily Belle*
Nancy Smith	*Mrs. Savage*
Fred Gebert	*Dr. Emmett*
Pat Luebke	*Miss Wilhelmina*

The student director: Mary Olcott, and Jeanette Reich acted as prompter.

You, Education, and Industry...

Partners in a *Bright Tomorrow*

One of the greatest opportunities facing America today is the preparation of qualified leaders for tomorrow . . . and there's every indication that the right combination for accomplishing this is rapidly taking shape.

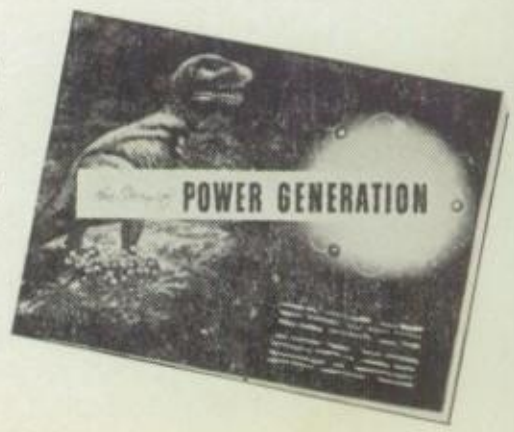
First, there's you — and the growing number of alert young people like you upon whom any successful venture in the future must be built.

Then, there are our schools and teachers—an educational system that right now is doing such a fine job of adjusting itself to increasing enrollments and constantly changing subject matter.

Newest member of the team is industry, which is becoming ever more aware of its responsibility by providing grants, scholarships, on-the-job training, classroom aids and other educational help.

Allis-Chalmers is happy to be a part of this partnership in a better, brighter tomorrow.

One of the latest visual aids to education prepared by Allis-Chalmers is this 12-page, illustrated booklet, "The Story of Power Generation."



ALLIS-CHALMERS
